

MORE THAN  
750 POWDER  
COATING  
SOLUTIONS  
ON STOCK

# POWDER COATINGS STOCKLIST 2026/2027

# QUALITY PRODUCTS ALWAYS IN STOCK

## QUALITY, SPEED & EFFICIENCY

Our powder coatings are designed for demanding technical environments, delivering outstanding mechanical and chemical resistance and ensuring superior anticorrosion protection. Choose from more than 750 powder coating solutions, and **197 RAL colour shades with a wide range of gloss levels, textures and finishes** – all available from stock. Beyond our standard portfolio, additional colour shades are available upon request.

Our powder coatings comply with relevant **industry certification requirements**, providing an additional layer of reliability for your projects. For detailed and product-specific certification information, please contact our experts or refer to the respective product datasheet.

## FROM OUR SHELF TO YOUR PROJECT IN UNDER 48 HOURS!

Speed and efficiency are just as important as quality. That's why we ensure your coatings reach you within 48 hours. Our optimized logistics and resource-conscious approach keep your projects moving without delays or unnecessary costs.
